Worldwide reputation for absolute discretion, highest quality standards and reliability! Worldwide reputation for absolute discretion, highest quality standards and reliability! A.D. Consultants Ltd. is a private company, founded in 1987. Its head office is located in Nes-Ziona, Israel. A.D. Consultants Ltd. specializes in consulting, marketing, supply, delivery, installation, training and after-sales service in the military field and in "special projects". The Company deals in military and security equipment, under special authorization from the Israel Defense Ministry (see the M.O.D. web site). A.D. Consultants Ltd. is the exclusive, worldwide agent of several military and security equipment suppliers. In all the above spheres of activity, A.D.Consultants Ltd. works hand in hand with experts who have acquired their vast experience through numerous years of work in Israeli industries and during their service in the Israel Defense Forces.
